

Mid Wisconsin ATV Trailblazers  
July 10 2023 meeting

Meeting was called to order

Secretary report was given and accepted.

Treasurer report was given and accepted.

All but 2 of the loads of gravel are spread. Leon did the 4 loads in Edgar. He was getting some good feedback from people using the trail.

Need to get out to Burma to bring in the corners. Always more brushing to do also. Back blade is on the tractor for grading.

Would like to try to rehab another stretch of the Edgar/Fenwood trail.

Mower is ready for next mowing. New blades have been put on. Will put old ones back on for spring mowing as more rocks are hit in the spring.

Some signing could be done on both trails but it is nothing critical.

Received payment for April work from the county.

Meeting was adjourned.
