

Mid Wisconsin ATV Trailblazers
March 13 2023 meeting

Meeting was called to order

Secretary report was given and accepted.

Treasurer report was given and accepted.

Run down of chili feed was presented. Brought in around \$2,700 but did not receive grocery bill yet. Should clear over \$2,000.

Discussion on giving Brian some compensation for gas for collecting donations for chili feed raffles. Motion to give him \$100 for gas passed.

Spring work day at Burma trails is set for Saturday April 15 (Saturday April 22nd set for rain day). 8:00 start time at Burma Road parking lot. Club will provide drinks and lunch. Will probably be a lot of brushing to do from the ice storm so chain saws and pole saws will be needed.

Club trailer still needs to be repaired. Leon Werner will take a look at it and see what he can get done. Needs boards and wiring.

Got the check from the county for July and August worksheets (minus the Edgar one). Still waiting on the September to October ones.

Meeting was adjourned.

Next meeting will be held on the Burma trail work day if needed.
