

Mid Wisconsin ATV Trailblazers
September 11 2023 meeting

Meeting was called to order

Secretary report was given and accepted.

Treasurer report was given and accepted.

Elections were held – results as follows:

WATVA update – They only take calls Thursdays and Fridays and Dean has been unable to get through. He will try as we have not received our membership renewal. Club was still listed in the last magazine.

Had a few issues with equipment this month. First the back blade broke. Got that fixed. Tractor had a leak in the right front. Bearing went out and gears broke. Dean checked at a few places and the only one that could get to it quickly was Rib Falls Repair. Parts are going to cost around \$2,600. If the parts all come in they will get it fixed this week.

Need to get mowing and grading done on both trails when tractor is fixed.

Received the check from the county for the May June work for around \$5,700.

Any hours worked in July and August should be turned into Cindy as soon as possible.

Dean will order granite so it is there for the Burma work day.

Reminder for Burma work day Saturday October 7th at 8:00. (rain date Sunday October 8th) Meet at Burma trail entrance. Club will provide beverages and lunch. October meeting will be held then also if needed.

Meeting was adjourned.

Remember to get your dues in if you have not already paid.

Meetings are always the second Monday of each month unless otherwise noted in the meeting minutes.
